

Dear Sponsor,

Concerned Belizeans, Inc. is a charitable organization formed by community-conscious Belizean Americans. The organization is dedicated to providing children in Belize with improved education.

Our commitment includes the following:

- Improving the quality of and accessibility to education for the impoverished children in the country of Belize.
- Providing educational opportunities and resources that foster independence.
- Helping families meet their children's needs.
- Raise international awareness about children in Belize who are in need of education.

Recently, our president Mr. Linsford Pitts completed our second mission in Belize. He delivered 700 backpacks and school supplies to some of the neediest schools throughout the country.

In order to continue our mission we are hosting our second annual Talent Show for children between the ages of 3-18 yrs. The event will be held on November 29, 2009 at the Levy Center at 300 Dodge Ave. in Evanston, IL. All proceeds from this event will benefit the scholarship fund for children in Belize.

However, in order to continue our mission we need your support. We are seeking performance table sponsors for this event. The donation per table is \$120. You may also donate an item for our silent auction. In addition, we are asking for monetary donation to help us achieve our goals. All donations are tax deductible.

I hope we can count on your support. Please send your donation to:

We are requesting donations by November 1, 2009. Please keep in mind that your contribution can make an immediate difference in the lives of needy children in Belize.

Sincerely,

Linsford Pitts
